

2011 National Judge

SANDY CAIRNS
District/Municipal Councilor
Gravenhurst, Ontario

Sandy Cairns has been involved with Communities In Bloom for approximately 10 years in home Town of Gravenhurst. Dedicated volunteer in many organizations in the Community for the past 20 years.

Worked for the Municipality for 9 years as the Recreation and Program Coordinator, then became Municipal Town Councilor for the last 3 terms and has been elected for her 4th term as District Councilor representing Gravenhurst at the District Level. Member of the District Community Services Committee, District Representative for the Simcoe-Muskoka Health Unit, also holds the Town positions of Chair of Public Works, Past Chair of Communities Services Department for the last 10 years, is the Chair of Gravenhurst Communities in Bloom Committee for 10 years, Chair of Trails Committee and on Environmental Committee, Member of the Historical Steamship Society and Past member and still very active with Accessibility Committee and issues in our community. Involved with recreation and planning activities for community regarding active transportation, trails and environment, sustainable development, and green space in our community.

Work part time for local retail store and in the Garden Centre of our Local Home Hardware Centre, have done many landscaping projects and consult on private gardens. Assist in tree planting and tree care workshops and programs in the community.

Sandy is a community orientated person and enjoys volunteering and making sure that we protect and conserve our environment for the future. Sandy became a National Judge for Communities in Bloom program in 2010 and had the privilege of judging two cities in Manitoba. Very proud to be a part of a great program Communities in Bloom and acknowledges the many educational and promotional programs that has helped Gravenhurst in many ways within the criteria of being a part of the CIB program... one Great benefit is the Civic pride that is seen throughout the community!
