Villa dei Mosaici di Spello

Past and the Future have never been so close

Lying in the heart of Umbria, Spello's Villa of Mosaics is an archaeological treasure of extraordinary importance for the reconstruction of this town's ancient history.

The one of a kind archaeological site from the Imperial age still contains exquisite mosaics and remnants of ancient frescoes and plasterwork.

Spello's Villa of Mosaics is a modern multi-medial museum where visitors can venture back in time thanks to new technologies.
